Gross gutter oil

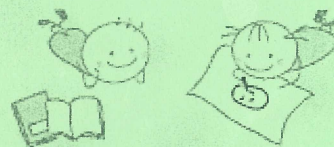

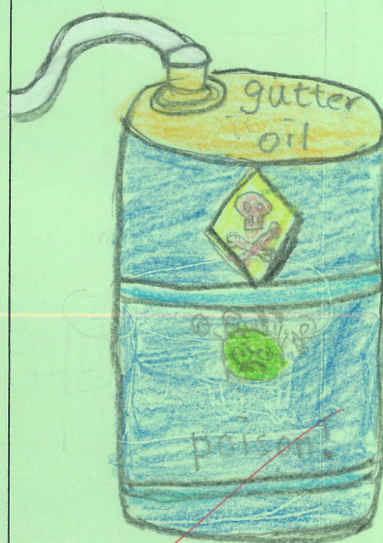

Details

This passage is about gutter oil. Gutter oil is made from industrial oil, food residues, used oil, recollected animal oil and fats, etc. It is very bad for our health. Some food included gutter oil, like pineapple buns, sauces and dumplings.

The government is working to make sure gutter oil will not get sold in the market. For sake of our health, we must buy oil from reliable sources and avoid products sold at a suspiciously low price to protect ourselves and stay healthy.
